

# Award

Dear Ladies and Gentlemen, dear fellow colleagues!

It is with great pleasure that we can announce that we are now one of the Austrian flagships of the industry and have been awarded with the certification of "Leitbetriebe Austria" as one of Austria's most exemplary companies in terms of its sustainable corporate success, innovation and social accountability. From now on we are allowed to use this title:

The "Leitbetriebe Austria" certification is a truly prestigious award. It pays tribute to the accomplishments of the entire ACE team and the example we set among Austria's industrial companies.

I am looking forward to our further cooperation!

Best regards
